|-------------------------|---|
| 1. Record Nr.           | UNINA9910144008203321   |
| Titolo                  | Annual review of biophysics and biomolecular structure  |
| Pubbl/distr/stampa      | Palo Alto, Calif., : Annual Reviews   |
| ISSN                    | 1545-4266   |
| Descrizione fisica      | 1 online resource   |
| Disciplina              | 571.4   |
| Soggetti                | Biophysics<br>Biomolecules<br>Molecular structure<br>Molecular Biology<br>Molecular Structure<br>Structure-Activity Relationship<br>Macromolecular Systems<br>Macromolecular Substances<br>Structural Biology<br>Periodical<br>Periodicals. |
| Lingua di pubblicazione | Inglese   |
| Formato                 | Materiale a stampa  |
| Livello bibliografico   | Periodico   |
| Note generali           | Refereed/Peer-reviewed  |
