

1. Record Nr.	UNINA9910144101703321
Titolo	System of systems engineering [[electronic resource]] : innovations for the 21st century / / edited by Mo Jamshidi
Pubbl/distr/stampa	Hoboken, N.J., : Wiley, c2009
ISBN	1-118-21073-5 1-281-93854-8 9786611938543 0-470-40350-0 1-60119-832-9 0-470-40349-7
Descrizione fisica	1 online resource (617 p.)
Collana	Wiley series in systems engineering and management
Altri autori (Persone)	JamshidiMohammad
Disciplina	620.001/171 620.001171
Soggetti	Systems engineering - Technological innovations Large scale systems Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Introduction to system of systems / Mo Jamshidi -- An open systems approach to system of systems engineering / Cyrus Azani -- Engineering of a system of systems / Gary D. Wells and Andrew P. Sage -- System of systems architecting / Cihan H. Dagli and Nil Kilcay-Ergin -- Modeling and simulation for systems of systems engineering / Saurabh Mittal ... [et al.] -- Net centricity and system of systems / Robert J. Cloutier, Michael J. DiMario, and Hans W. Polzer -- Emergence in system of systems / Charles B. Keating -- System of systems management / Brian Sauser, John Boardman, and Alex Gorod -- Systems engineering for department of defense systems of systems / Judith S. Dahmann -- Boeing's SoSE approach to e-Enabling commercial airlines / George F. Wilber -- System of systems perspectives on infrastructures / Wil A.H. Thissen and Paulien M. Herder -- Advances in wireless sensor networks : a case study in system of systems perspective / Prasanna Sridhar, Asad M. Madni, and

Mo Jamshidi -- A system of systems view of services / James M. Tien --
System of systems engineering in space exploration / Steven D. Jolly
and Brian K. Muirhead.
Communication and navigation networks in space system of systems /
Kul B. Bhasin and Jeffrey L. Hayden -- Operation and control of
electrical power systems / Petr Korba and Ian A. Hiskens -- Future
transportation fuel system of systems / Michael Duffy ... [et al.] --
Sustainable environmental management from a system of systems
engineering perspective / Keith W. Hipel ... [et al.] -- Robotic swarms
as system of systems / Ferat Sahin -- Understanding transportation as
a system of systems problem / Daniel A. DeLaurentis -- Health care
system of systems / Nilmini Wickramasinghe ... [et al.] -- System of
systems engineering of GEOSS / Ryosuke Shibasaki and Jay S. Pearlman.

Sommario/riassunto

Discover the emerging science and engineering of System of Systems
Many challenges of the twenty-first century, such as fossil fuel energy
resources, require a new approach. The emergence of System of
Systems (SoS) and System of Systems Engineering (SoSE) presents
engineers and professionals with the potential for solving many of the
challenges facing our world today. This groundbreaking book brings
together the viewpoints of key global players in the field to not only
define these challenges, but to provide possible solutions. Each chapter
has been contributed by an international e

2. Record Nr.	UNIORUON00412827
Autore	Limentani, Alberto
Titolo	Alle origini della filologia romanza / Alberto Limentani ; a cura di Mario Mancini
Pubbl/distr/stampa	Parma, : Pratiche Editrice, 1991
ISBN	88-7380-136-6
Descrizione fisica	144 p. ; 21 cm.
Disciplina	440.09
Soggetti	Filologia romanza - Storia
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia
