

1. Record Nr.	UNINA9910144125703321
Autore	Koornstra Matthijs J
Titolo	Changing choices : psychological relativity theory: a mathematical theory and the multidimensional analyses of judgment, preference, risk behaviour, and choice dynamics / / Matthijs J. Koornstra
Pubbl/distr/stampa	Leiden, : Leiden University Press, c2005
ISBN	9786611991364 9781281991362 1281991368 9789048502103 9048502101
Edizione	[1st ed.]
Descrizione fisica	1 online resource (515 p.)
Collana	LUP Dissertaties
Disciplina	120
Soggetti	Choice (Psychology) Decision making
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Preface; Ch. 1: The Foundation of Choice Theory; Ch. 2: Psychophysical Response and Valence Theory; Ch. 3: The Geometries of Stimulus and Sensation Spaces; Ch. 4: The Geometries and Analyses of Response Spaces; Ch. 5: Valence Space Geometries and Preference Analyses; Ch. 6: Measurement-Theoretical Implications; Ch. 7: Psychological Relativity and Choice Dynamics; Ch. 8: Choice Conflicts and Dynamic; References; Author Index; Subject Index
Sommario/riassunto	This book is a must read for all behavioural, economic, and social scientists with theoretical interest and some understanding of multidimensional data analyses.
