Sommario/riassunto

The memory of past atrocity lingers like a ghost at the table of democracy. Injustices carried out in the past - from massacres and murder to repression and detention - embitter societies and distort their structures so that the process of establishing and running a democracy carries an extra burden. This volume examines societies at various stages of dealing with the memory of the past, from China, Mongolia, Indonesia and the Baltic States, where bitter memories of death and persecution still intrude, to Finland, where the civil war of 1918 has finally been accepted as a distant national trag

Sommario/riassunto	This book constitutes the thoroughly refereed post-proceedings of the 5th International Workshop on Agent-Mediated Electronic Commerce, AMEC 2003, held in Melbourne, Australia in July 2003 as part of AAMAS 2003. The 9 revised full papers presented were carefully selected from 22 submissions during two rounds of reviewing and revision. The papers are organized in topical sections on automated negotiation, systems and mechanism design, and multi-agent markets.
