Note generali	Refereed/Peer-reviewed Title from title screen (publisher's Web site, viewed Mar. 16, 2006). "EBLIP is a peer reviewed, open access journal published quarterly by the University of Alberta Learning Services, using the OJS Software. The purpose of the journal is to provide a forum for librarians and other information professionals to discover research that may contribute to decision making in professional practice. EBLIP publishes original research and commentary on the topic of evidence based library and information practice, as well as reviews of previously published research (evidence summaries)--on a wide number of topics."
