Sommario/riassunto	Markets, marketing, and trade have become ever more important to growing aquaculture industries worldwide. The diversity and idiosyncrasies of the aquaculture and seafood markets call for

understanding information that is unique to these markets. Presenting fundamental principles of marketing and economics from a user-friendly, how-to perspective, the Aquaculture Marketing Handbook will provide the reader with the tools necessary to evaluate and adapt to changing market conditions. The Aquaculture Marketing Handbook provides the reader with a broad base of informatio
