

1. Record Nr.	UNINA9910144546703321
Titolo	Acreage / / Agricultural Statistics Board
Pubbl/distr/stampa	Washington, DC, : National Agricultural Statistics Service, Agricultural Statistics Board, U.S. Dept. of Agriculture
ISSN	1057-7807
Disciplina	338.1
Soggetti	Crops - United States Acreage allotments - United States Acreage allotments Crops Periodicals. Statistics. United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	"CrPr 2-2." "CrPr 2-5."

2. Record Nr.	UNINA9910794510003321
Titolo	All things morphology : its independence and its interfaces / edited by Sedigheh Moradi [and three others]
Pubbl/distr/stampa	Amsterdam ; Philadelphia, : John Benjamins, [2021] ©2021
Descrizione fisica	1 online resource (449 pages)
Collana	Current Issues in Linguistic Theory ; ; v.353
Disciplina	415/.92
Soggetti	Grammar, Comparative and general - Morphology Essays. Festschriften
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	2.1 Blocking and extended exponence.
Sommario/riassunto	"This book attempts to provide a view of where the field of morphology has been and where it is today within a particular theoretical framework, gathering up new and representative work in morphology by both eminent and emerging scholars, and touching on a very wide range of topics, approaches, and theoretical points of view. These seemingly disparate articles have a common touchstone in their focus on a word-based, paradigmatic approach to morphology. The chapters in this book elaborate on these basic themes, from the further exploration of paradigms, to studies involving words, stems, and affixes, to examinations of competition, inheritance, and defaults, to investigations of morphemes, to ways that morphology interacts with other parts of the language from phonology to sociolinguistics and applied linguistics. The editors and contributors dedicate this volume to Prof. Mark Aronoff for his profound influence on the field"--
