Sommario/riassunto	This book introduces students to the chief disciplines, methods and sources employed in 'doing' ancient history, as opposed to 'reading' it. The book:Encourages readers to engage with historical sources, rather than to be passive recipients of historical tales Gives readers a sense of the nature of evidence and its use in the reconstruction of the past Helps them to read a historical narrative with more critical appreciation Encourages them to consider the differences between their own experience of ancient sources, and the use of these objects within the everyd
