Csordas -- Here comes the sun : shedding light on the cultural body / Simon Carter and Mike Michael -- Reaching the body : future directions / Jamilah Ahmed.
Sommario/riassunto	Cultural Bodies: Ethnography and Theory is a unique collection that integrates two increasingly key areas of social and cultural research: the body and ethnography. Breaks new ground in an area of study that

continues to be a central theme of debate and research across the humanities and social sciences  
Draws on ethnography as a useful means of exploring our everyday social and cultural environments  
Constitutes an important step in developing two key areas of study, the body and ethnography, and the relationship between them  
Brings together an inter
