Sommario/riassunto

Following in the footsteps of author Thomas Bulkowski's bestselling Encyclopedia of Chart Patterns-and structured in the same way-this easy-to-read and -use resource takes an in-depth look at 103 candlestick formations, from identification guidelines and statistical analysis of their behavior to detailed trading tactics. Encyclopedia of Candlestick Charts also includes chapters that contain important discoveries and statistical summaries, as well as a glossary of relevant terms and a visual index to make candlestick identification easy.
