Sommario/riassunto	An expert in the field of finance reveals his proven trading systemAs a trading coach and financial advisor, Bennett McDowell has used his own proprietary trading system--Applied Reality Trading or ART to enhance the performance of his clients' portfolios. Now McDowell outlines the unique benefits of his system and makes the case for trading the reality--not the fantasy--of financial markets. Readers will discover the importance of simplicity in a trading approach; how to develop ""The

Trader's Mindset;" how to use ART(r) technical analysis software; and
much more. The ART of Trading
