Sommario/riassunto

Perspectives on Las Américas: A Reader in Culture, History, and Representation charts new territory by demonstrating the limits of neatly demarcating the regions of 'Latin America' and the 'United States'. This landmark volume presents key readings that collectively examine the historical, cultural, economic, and political integration of Latina/os across the Americas, thereby challenging the barriers between Latina/o Studies and Latin American/Caribbean Studies. . .; Brings together key readings that collectively examine the historical, cultural, economic, and political integration of Latina/os
