Sommario/riassunto

Praise for Investment Banking & Investment Opportunities in China""I first met Tom Liaw when my company was exploring potential opportunities in Taiwan. He clearly knew the market and proved invaluable in explaining the financial landscape and in arranging meetings with potential clients, other market participants, and senior government officials. Investment Banking and Investment Opportunities in China should prove equally valuable as we now look to further expand our activities to mainland China.""-Douglas Reinfeld-Miller, EVP, Ambac Assurance, and Chairman/CEO, Ambac Assurance U
