

1. Record Nr.	UNINA9910145737303321
Titolo	Advances in fisheries economics [[electronic resource]] : festschrift in honour of Professor Gordon R. Munro // edited by Trond Bjørndal ... [et al.]
Pubbl/distr/stampa	Oxford ; ; Ames, Iowa, : Blackwell Pub., 2007
ISBN	1-281-32240-7 9786611322403 0-470-75158-4 0-470-75157-6
Edizione	[1st ed.]
Descrizione fisica	1 online resource (322 p.)
Altri autori (Persone)	BjorndalTrond MunroGordon Ross <1934->
Disciplina	338.3727
Soggetti	Fisheries - Economic aspects Fishery management Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Advances in Fisheries Economics; Contents; Preface; Acknowledgements; Tabula Gratulatoria; Chapter 1 On the Contributions of Professor G.R. Munro to Economics; Section 1 Property Rights and Fisheries Management; Chapter 2 Phases in the Evolution of Property in Sea Fisheries; Chapter 3 Property Rights Quality and Economic Efficiency of Fisheries Management Regimes: Some Basic Results; Chapter 4 Resolving the Class II Common Property Problem: The Case of the BC Groundfish Trawl Fishery; Chapter 5 Auctions of IFQs as a Means to Share the Rent Chapter 6 Shadow Prices for Fishing Quotas: Fishing with Econometrics Section 2 Capital Theory and Natural Resources; Chapter 7 Rational Expectations and Fisheries Management; Chapter 8 Linking Natural Capital and Physical Capital: A Review of Renewable Resource Investment Models; Chapter 9 Fisheries Management with Stock Uncertainty and Costly Capital Adjustment; Section 3 Game Theory and International Fisheries; Chapter 10 The Incomplete Information

Stochastic Split-Stream Model: An Overview; Chapter 11 Coalition Games in Fisheries Economics
Chapter 12 Incentive Compatibility of Fish-sharing Agreements
Chapter 13 Fish Stew: Uncertainty, Conflicting Interests and Climate Regime Shifts; Chapter 14 A Dynamic Game on Renewable Natural Resource Exploitation and Markov Perfect Equilibrium; Section 4 Applied Fisheries Economics and Management; Chapter 15 The Role of the Fishing Industry in the Icelandic Economy; Chapter 16 Factor Use and Productivity Change in a Rights- Based Fishery; Chapter 17 Scientific Uncertainty and Fisheries Management
Chapter 18 Spatial-Temporal Stock Assessment Analysis with Application to the Scotia-Fundy Herring Fishery
Authors; Index

Sommario/riassunto

A true landmark publication, *Advances in Fisheries Economics* brings together many of the world's leading fisheries economists to authoritatively cover the many issues facing the field of fisheries economics and management today. Compiled in honour of the work and achievements of Professor Gordon Munro of the University of British Columbia, Canada, this exceptional volume of research serves as both a valuable reference tool and fitting tribute to a man whose work has shaped the discipline. Divided into four sections, the text includes coverage of: Property Rights and Fishes

Nota di contenuto	"Named Before Thou Wert Born" : A City Imagined, 1682-1700 -- Intoxicated With Power : The Rise and Limits of the Philadelphia Corporation -- Intended for a General Benefit : The Rise of a New Civic Technology -- Amidst "Rancour and Party hatred" : A Changing Civic Landscape -- Lending in Plain Sight : Covert Banks -- Private Men Interfering with Matters of Government : Taking Over From the State -- Mars Ascendant : A Revolution in Arms -- Epilogue.
Sommario/riassunto	"To what extent did the American Revolution involve ordinary people? Historians as notable as Carl Becker and Edmund Morgan famously have asked this question or versions of it, but here Roney approaches it afresh by examining local governance and civic associations in Philadelphia, the largest colonial American city. How did popular participation in charity, schools, the militia, and informal banks prepare people to adopt radical ideas and take to the streets protesting against tyranny in the 1760s and 70s? Roney's GOVERNED BY A SPIRIT OF OPPOSITION will both be an important addition to the current literature on public life in early America, and also to the wider literature on urban

governance in the British Atlantic in the eighteenth century. She sheds light on the powerful roles played by men acting in the political and constitutional circumstances of early Philadelphia leading up to the Revolution"--

"During the colonial era, ordinary Philadelphians played an unusually active role in political life. Because the city lacked a strong central government, private individuals working in civic associations of their own making shouldered broad responsibility for education, poverty relief, church governance, fire protection, and even taxation and military defense. These organizations dramatically expanded the opportunities for white men--rich and poor alike--to shape policies that immediately affected their communities and their own lives. In *Governed by a Spirit of Opposition*, Jessica Choppin Roney explains how allowing people from all walks of life to participate in political activities amplified citizen access and democratic governance. Merchants, shopkeepers, carpenters, brewers, shoemakers, and silversmiths served as churchwardens, street commissioners, constables, and Overseers of the Poor. They volunteered to fight fires, organized relief for the needy, contributed money toward the care of the sick, took up arms in defense of the community, raised capital for local lending, and even interjected themselves in Indian diplomacy. Ultimately, Roney suggests, popular participation in charity, schools, the militia, and informal banks empowered people in this critically important colonial city to overthrow the existing government in 1776 and re-envision the parameters of democratic participation. *Governed by a Spirit of Opposition* argues that the American Revolution did not occasion the birth of commonplace political activity or of an American culture of voluntary association. Rather, the Revolution built upon a long history of civic engagement and a complicated relationship between the practice of majority-rule and exclusionary policy-making on the part of appointed and self-selected constituencies"--
