Sommario/riassunto

Slavery and Emancipation is a comprehensive collection of primary and secondary readings on the history of slaveholding in the American South combining recent historical research with period documents. The most comprehensive collection of primary and secondary readings on the history of slaveholding in America. Combines recent historical research with period documents to bring both immediacy and perspective to the origins, principles, realities, and aftermath of African-American slavery. Includes the colonial foundations of slavery, the master-slave relat
