Sommario/riassunto	Traders are constantly learning their craft. Those who do not share information, discuss tactics and review prior trades are doomed for failure. Global-View.com knows this. It is the leading destination for Forex traders looking to learn and discuss trading. With over 33,000 registered users from 125 countries, Global-View.com exposes its users to an incredible base of knowledge. In this book, the authors

dissect each of 15 chosen trades, using the material to expose some of the best (and worst) practices of a Forex trader. The book weaves a plethora of Global-View.com information into the d
