

1. Record Nr.	UNINA9910146066503321
Autore	Rappoport Zvi
Titolo	Chemistry of the Cyclopropyl Group. Vol. 1
Pubbl/distr/stampa	[Place of publication not identified], : John Wiley & Sons Incorporated, 1987
ISBN	1-280-55434-7 9786610554348 0-470-02344-9
Descrizione fisica	1 online resource (1752 pages)
Altri autori (Persone)	RappoportZvi
Disciplina	547.511
Soggetti	Organic Chemistry Chemistry Physical Sciences & Mathematics Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Sommario/riassunto	This is the second part of The Chemistry of the Cyclopropyl Group and completes the coverage of Part 1. Together they form a comprehensive review of the current state of research into cyclopropyl compounds. Literature coverage is provided up to mid 1985 in most chapters, with some areas of more recent coverage. Because of the interest in these compounds, the chapters cover all aspects of cyclopropyl compounds including structure, spectra, synthesis, derivatives and electrochemistry.
