#### Sommario/riassunto

Comprises 34 essays from leading scholars in history, classics, philosophy, and political science to illuminate Greek and Roman political thought in all its diversity and depth. Offers a broad survey of ancient political thought from Archaic Greece through Late Antiquity. Approaches ancient political philosophy from both a normative and historical focus. Examines Greek and Roman political thought within historical context and contemporary debate. Explores the role of ancient political thought in a range of philosophies, such as the individual and community, human rights, religion,
