Sommario/riassunto	Rabbi Zushe Blech is considered one of the world's leading

experts in modern Kosher food production and technology, serving for over twenty years in administrative and field positions relating to all aspects of Kosher certification. He served for fourteen years as a regional director for the *Kashrus* division of the Union of Orthodox Jewish Congregations of America (the "OU"), and has since served as a technical and *Halachic* consultant to virtually all of the major *Kashrus* certifying agencies worldwide. He has written and lectured throughout the world on the entire g
