Disciplina	128
Soggetti	Philosophy Imagination - Philosophy
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	The book, which is a redrafting of the doctoral thesis, represents a retrospective on modern philosophical anthropology through two of its major exponents. More specifically, it shows how mythology, the history of philosophy and language and Vico's conception of man have had as a constant yardstick the Cartesian approach of the psychology of Malebranche.
