Sommario/riassunto	What is the investment opportunity from America's financial crisis? Somewhere north of one trillion dollars of debt--mortgages, credit cards, and other forms--will be written off and sold to buyers at

pennies on the dollar. It gets even better: There are ways to buy that debt with no money of your own. Society's collective pain from this crisis means that it's unlikely to occur ever again on this scale. Investors with the right roadmap are poised to profit spectacularly. Bartmann lays out a step by step plan on how to find the best deals from the federal government, local Financial Instituti
