Sommario/riassunto	Philippine cinema, the dream factory of the former U.S. colony, teems with American figures and plots. Local movies feature GIs seeking Filipina brides, cold war spies hunting down native warlords, and American-born Filipinos wandering in the parental homeland. The American landscape furnishes the settings for the triumphs and tragedies of Filipino nurses, GI babies, and migrant workers. By tracking American fantasies in Philippine movies from the postindependence period to the present, Jose B. Capino offers an innovative account of cinema's cultural work in decolonization and globalization. C

Sommario/riassunto

Mit der Umgestaltung der deutschen Schullandschaft im Sinne eines Rechtes auf Bildung für alle sahen sich die lehrer*innenbildenden Universitäten in der Situation, das Lehramtsstudium mit dem Fokus auf die Umsetzung einer Schule der Vielfalt neu zu denken. Sie begannen mit der Umstrukturierung von Inhalten und Formaten im Sinne der schulischen Inklusion und deren systematischer Beforschung. Dieser Band rückt vor diesem Hintergrund zwei zentrale Fragestellungen, die sowohl aus Perspektive der Fachwissenschaften, hier insbesondere der Schul- und Sonderpädagogik, und Fachdisziplinen sowie aller Bildungsebenen und Unterrichtsfächer zu beantworten sind, in den Fokus: Was soll in einer inklusionsorientierten Lehramtsausbildung gelernt und gelehrt werden und wie lassen sich diese Prozesse gestalten?
