Note generali	"Papers in this volume were first presented at the conference 'Past and Present: Is There Anything New with Anti-Americanism Today?' held at Central European University in Budapest in December 2004"--Ack.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction / Ivan Krastev -- The anti-American century? / Ivan Krastev -- "Little America" : on the non-European features of Eastern European societies / Janos Matyas Kovacs -- Anti-Americanism in Latin America and the Caribbean : "false populism" or coming full circle? / Alan McPherson -- Rethinking young anti-Americanism in South Korea / Youngshik Bong and Katharine H.S. Moon -- How "big brother" became the "great satan" : changing perceptions of the United States among the Muslim communities of Southeast Asia / Farish Ahmad Noor -- A plea for distinctions : disentangling anti-Americanism from anti-semitism / Brian Klug.
Sommario/riassunto	This book interrogates the nature of anti-Americanism today and over the last century. It asks several questions: How do we define the

phenomenon from different perspectives: political, social, and cultural? What are the historical sources and turning points of anti-Americanism in Europe and elsewhere? What are its links with anti-Semitic sentiment? Has anti-Americanism been beneficial or self-destructive to its "believers"? Finally, how has the United States responded and why? The authors, scholars from a multitude of countries, tackle the potential political consequences of anti-Americanism in Eastern and Central Europe, the region that has been perceived as strongly pro-American.
