Conflict management in the Caucasus via development of regional identity -- 10. Bringing culture back into a concept of rationality: state- society relations and conflict in post-socialist Transcaucasia -- 11. Reconciliation after ethnic cleansing: witnessing, retribution and

domestic reform -- 12. Intervention in markets of violence -- 13.
Institutions and the organisation of stability and violence -- Index.

Sommario/riassunto

The Caucasus and the Balkan region are automatically associated with conflict and war. This text brings together a selection of case studies and theoretical approaches aimed at identifying the institutions which prevented or fostered escalation of conflict in the Caucasus and former Yugoslavia.
