

1. Record Nr.	UNINA9910146942903321
Titolo	The Korean journal of chemical engineering
Pubbl/distr/stampa	Seoul, Korea, : Korean Institute of Chemical Engineers
ISSN	1975-7220
Soggetti	Chemical engineering Bioengineering Genie chimique Biotechnologie Chemische Verfahrenstechnik Zeitschrift Enginyeria química Bioenginyeria Biotechnologia Revistes electroniques. Periodicals. Revistes electròniques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed Image of cover on journal homepage has word "international" at head of title, interposed between words "Korean" and "journal." Devoted to the publication of chemical engineering, applied chemistry and biological engineering.
