

1. Record Nr.	UNINA9910147100903321
Titolo	ANSI/IEEE Std 260-4-1996 : American National Standard Letter Symbols and Abbreviations for Quantities Used in Acoustics // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 1995
ISBN	0-7381-0952-5
Descrizione fisica	1 online resource
Disciplina	617.8
Soggetti	Acoustics - instrumentation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Reaffirmed 2008. Letter symbols for physical quantities used in the science and technology of acoustics are covered. Abbreviations for a number of acoustical levels and related measures that are in common use are also given. The symbols given in this standard are intended for all applications.
