Sommario/riassunto	When the CIA chooses Birch Kirby, a mediocre detective with a personal life even less thrilling than his professional one, no one is more surprised by the selection than Birch himself. But the Agency needs someone for a secret mission, and Birch may be just the clown for the job. Going undercover as a circus performer, he travels to Grizzly Gulch to investigate the source of daily, un-decodeable secret messages that are being transmitted to the KGB. Birch interacts with wildly colorful characters while stumbling through performances as well as his

assignment. With the clock ticking, Birch must hurry to take a right step toward bringing the curtain down on this very important case."
