Sommario/riassunto	A quick and easy buck sounds good to Private Investigator Chance Purdue. But the paycheck seems to be a bit harder to earn when the job entails more than just looking into the a minor league baseball team in southern Illinois. His new client, the gangster Cool Lips Chericola, is definitely leaving out details. Enter Brandy Alexander, whose unexpected appearance in Stranger City, Illinois complicates things. Then throw in the Bobby Crackers' Blitzkrieg for Christ religious crusade, and you've got a super-charged powderkeg of a caper, with Chance holding both the match and the barrel.
