Lingua di pubblicazione Inglese **Formato** Materiale a stampa Livello bibliografico Monografia In the tradition of E.L. James and Sylvia Day comes a sultry new series Sommario/riassunto starring women who want to live out their wildest dreams . . . Online, any fantasy is possible. But when virtual lovers decide to meet in real life, the temperature rises-and so do the stakes. Safety. Anonymity. Invisibility. Those are just a few advantages of Internet "dating." Even better, as far as Hannah Miller is concerned, is the fact that she can shed all inhibitions without worrying about what he thinks of her figure or her face. "He" is bikerboy357, the man who knows what Hannah likes, and wants her-every night-as much as she wants him. When he asks to meet, Hannah hesitates. But the temptation is too strong. And after one look into his sultry green eyes, there's no turning back. Cade MacKenzie's never met a woman who's wasn't blinded by his billiondollar net worth, but "H" knows neither his face nor his name. Her words are so smart, sweet, and scorchingly sexy that Cade's willing to gamble she'll be just as amazing in person. And she is. But even as

now, Cade will do anything to earn it . . .

every delicious encounter makes Cade want Hannah more, what he wants most is her trust. It's something all his money can't buy. And
