| Sommario/riassunto | The first time he lays eyes on Taylor Ross in a bar, Colt Priestley does something few men would dare to do. He approaches the world-famous singer, shamelessly flirts with her, and gives her a night in his bed that neither of them will soon forget. When Taylor's record label hires a bodyguard to keep tabs on the out-of-control rocker, she's less than thrilled to find it's her off-the-charts one-night stand who shows up for the job. She's terrified of letting herself fall for the damaged ex-Army Ranger, and she's determined to push him away. Yet every moment they're together simmers with tension. As the danger from an obsessed stalker mounts, Taylor and Colt are tempted to cross that line again-baring their hearts and souls as well as their bodies-and there's no telling how hot this song will get. |
