Sommario/riassunto

Cross kill: Along Came a Spider killer Gary Soneji has been dead for over ten years. Alex Cross watched him die. But today, Cross sees him gun down his partner. Is Soneji alive? A ghost? Or something even more sinister?

Zoo II: Zoo was just the beginning. The planet is still under siege by ferocious animals. Humans are their desperate prey. Except some humans are mutating into a savage species that could save civilization -- or end it.

The pretender: It's not the police Logan Bishop is running from. He's a handsome thief living off a stash of stolen diamonds. But now his murderous ex-partner has tracked him down.
