Sommario/riassunto	Following a whirlwind romance and impromptu wedding, Sara is whisked off to her husband's palatial family estate in Bolivia. Cultural differences and family adjustments are no match for her fierce love for Nicols. But Sara soon opens a Pandora's box of questions surrounding the Cortz family's billion-dollar business, becoming ensnared in a deadly clash between her new family, a drug cartel, and the DEA. Driven by heart-pounding drama and supported by compelling realism and precise detail, Jeanette Windle catapults readers into an all-too-real world of intrigue and danger . . . captivating and mesmerizing from first page to last. With explosive drama, adventure, suspense, and meticulous attention to detail, Jeanette Windle lives up to her reputation as "the Tom Clancy of Christian fiction."
