About the Author

Sommario/riassunto

When an adult child leaves the church and turns away from the faith of his or her childhood, parents are left with feelings of failure, confusion over what happened, and fear of what may happen next. Statistics show the breadth of this problem: As many as 75 percent of children who grew up in Christian homes leave the church by the time they are twenty-five (Barna Group). Writing with compassion and honesty, author and family pastor Rob Rienow comes alongside hurting parents to share a powerful message of hope: it's never too late to point an adult child's heart toward God. He challenges parents to accept that they are the shortest distance between their child and Christ, and though they may not have planned for it, parents can--and should--still play a proactive role in leading their child back to faith. Rienow directs parents to four tangible steps: -Offer your heart to the Lord -Turn your heart to your child -Draw your child's heart to yours -Point your child's heart to Christ Full of engaging stories, insightful action steps, and inspiring Scripture, *When They Turn Away* is a biblically based, practical book that teaches parents to forgive themselves, forgive their children, seek forgiveness from their children, and--ultimately--be able to affirm that there is "no greater joy than to know your] children are walking in the truth" (3 John 4).
