Decretals and Decretalists -- Conclusion -- Selected Bibliography -- Index of Papal Letters -- Index of Canonical Works -- General Index.
Sommario/riassunto	The pallium was effective because it was a gift with strings attached. This band of white wool encircling the shoulders had been a papal insigne and liturgical vestment since late antiquity. It grew in prominence when the popes began to bestow it regularly on other bishops as a mark of distinction and a sign of their bond to the Roman church.
