Sommario/riassunto

"For fans of Gone Girl and Girl on the Train, BABY DOLL is the most tense thriller you will read this year. Held captive for eight years, Lily has grown from a teenager to an adult in a small basement prison. Her daughter Sky has been a captive her whole life. But one day their captor leaves the deadbolt unlocked. This is what happens next.....to her twin sister, to her mother, to her daughter...and to her captor. "-- "You've been held captive in one room, mentally and physically abused every day, since you were sixteen years old. Then, one night, you realize your captor has left the door to your cell unlocked. For the first time in eight years, you're free. This is about what happens next ... Lily knows that she must bring the man who nearly ruined her life to justice. But she never imagined that reconnecting with her family would be just as difficult. Reclaiming her relationship with her twin sister, her mother, and her high school sweetheart, who is in love with her sister, may be Lily's greatest challenge. After all they've been through, can Lily and her family find their way back after this life-altering trauma?"--
