Sommario/riassunto	"The sequel to Alex Marshall's <i>A Crown for Cold Silver</i> , an outstanding, game-changing epic adventure featuring an unforgettable female warrior. After five hundred years, the Sunken Kingdom has returned,

and brought with it a monstrous secret that threatens to destroy every country on the Star. As an inhuman army gathers on its shores, poised to invade the Immaculate Isles, the members of the Cobalt Company face an ugly choice: abandon their dreams of glory and vengeance to combat a menace from another realm, or pursue their ambitions and hope the Star is still there when the smoke clears. Five villains. One legendary general. A battle for survival. "--
