But when her wedding erupts in gunfire, Sadie Walker realizes this is not the life she wants-her fiance's work with Delta Force will always cast a shadow over their relationship. After leaving the hard-muscled hero at the altar, she thinks she'll never see him again ... until a chance encounter reveals that he still has a strong grip on her heart. On a covert assignment overseas, Simon Tennant is shocked when he spots Sadie with another man. Jealousy flares, as does an irresistible urge to keep her protected. Amid a dangerous game of international espionage, he'll have to convince Sadie just how perfect they've always been together. This time, nothing will take precedence over winning her back, no matter the cost to his cover-or his life ...
