Sommario/riassunto	I'd led a selfish existence.I liked who I was. Hell, I loved myself.Women threw themselves at me and I took what they offered without remorse. I promised them nothing. I sank my teeth into life, holding on to the bitch like my very existence depended on it.Time passed.Women came and went.The second I let my guard down and released the hold I had on life... What was my award for such carelessness?A love so spectacular and heart wrenching that it threw me for a loop. When I was in too deep to escape, my greatest fears became reality.This is my story.My downfall.My salvation.
