Sommario/riassunto	<p>This is a beautiful, moving tale from the bestselling author of the "Flashman Papers". To the young Lady Margaret Dacre, raised in the rich security of Queen Elizabeth's court, the Scottish border was a land of blood and brutal violence, where raid and murder were commonplace, and her broad inheritance lay at the mercy of the outlaw riders and feuding tribes of England's last frontier. Beyond the law's protection, alone but for her house servants and an elderly priest, she could wait helpless in her lonely manor, or somehow find the means to fight the terror approaching from the northern night!</p>
