Sommario/riassunto	<p>The eight stirring instalment of the urban fantasy-thriller series starring Rachel Morgan. A pacey and addictive novel of sexy bounty-hunting witches, cunning demons and vicious vampires. Rachel Morgan has fought and hunted vampires, werewolves, banshees, demons, and other supernatural dangers as both witch and bounty hunter - and lived to tell the tale. But she's never faced off against her own kind... until now. Denounced and shunned for dealing with demons and black magic, Rachel's best hope is life imprisonment - the worst, a forced lobotomy and genetic slavery. Only her enemies are strong enough to help her win her freedom, but trust comes hard when it hinges on the unscrupulous tycoon Trent Kalamack, the demon Algaliarept, and an ex-boyfriend turned thief. It takes a witch to catch a witch, but survival bears a heavy price.</p>
