Sommario/riassunto	<p>The No. 1 ebook bestseller, Sunday Times Top 10 bestseller and USA Today bestseller The real nightmare starts when her daughter is returned...A girl is missing. Five years old, taken from outside her school. She has vanished, traceless. The police are at a loss; her parents are beyond grief. Their daughter is lost forever, perhaps dead, perhaps enslaved. But the biggest mystery is yet to come: one week after she was abducted, their daughter is returned. She has no memory of where she has been. And this, for her mother, is just the beginning of the nightmare. Perfect for fans of Lisa Jewell, C. L.
