Sommario/riassunto	<p>It's Rachel Morgan's ultimate adventure . . . and anything can happen in this final book in the New York Times bestselling Hollows series. Rachel Morgan has come a long way since her early days as an inexperienced bounty hunter. She's faced vampires and werewolves, banshees, witches, and soul-eating demons. She's crossed worlds, channelled gods, and accepted her place as a day-walking demon. She's lost friends and lovers and family, and an old enemy has unexpectedly become something much more. But power demands responsibility, and world-changers must always pay a price. Rachel knew that this day would come -and now it is here. To save Ivy's soul and the rest of the living vampires, to keep the demonic ever-after and our own world from destruction, Rachel Morgan will risk everything . . .</p>
