Sommario/riassunto	<p>Jake and Maggie, each fleeing a failed marriage, meet and fall in love, but their pasts provide obstacles. Jake Cantrell is suave, charming and a brilliant electrical engineer saddened by the failure of his marriage to Amy. Maggie Sorrell is a bright and elegant interior designer. She, too, has suffered a broken marriage. In picturesque Kent, Connecticut, Jake and Maggie join a local amateur dramatics group, and are introduced. The relationship blossoms, but ahead lie obstacles - the fifteen-year difference in their ages, Amy's sudden illness, her reluctance to divorce Jake, and Maggie's own inner turmoil. But together they overcome the odds and find the ultimate: love in another town.</p>
