Sommario/riassunto	During the nineteenth century European settlers transformed the environment of New Zealand's South Island. They diverted streams and

drained marshes, burned native vegetation and planted hedges and grasses, stocked farms with sheep and cattle and poured on fertiliser. In Home in the Howling Wilderness Peter Holland undertakes a deep history of that settlement to answer key questions about New Zealand's ecological transformation. Did the settlers pursue farming regardless of the ecological consequences? Did they impose European plants, animals and farming methods on a very different enviro

Sommario/riassunto	Following the fortunes of some of the much-loved characters from her bestseller The Journey, Josephine Cox's powerful new novel spans continents, decades and generations of one familyAs Barney Davidson watched the liner sail away with his beloved family on board, bound for America, he stood a devastated and broken man. His dream was over, but theirs was just beginning.They must never know what he had suffered to give them this opportunity. But he had no regrets, except for the anguish he had caused them in their innocence.Now many years later Barney is gone. Lucy Baker, now old and in ill health herself, knows the truth about what happened. She carries a terrible burden. She promised Barney she would never tell his secret. But is it a promise she can keep?
