Sommario/riassunto	A chilling and dark fantasy from bestselling author Raymond E. Feist. Successful screenwriter Phil Hastings decides to move his family from sunny California to a ramshackle farmhouse in New York State. The idea is to take some time out, relax and pick up the threads of his career as a novelist. Good plan, bad choice. The place they choose is surrounded by ancient woodland. The house they choose is the centrepiece of a centuries-old evil intent on making its presence felt to intruders.
