Descrizione fisica	1 online resource (281 pages)
 Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- ADVENTURES OF HUCKLEBERRY FINN -- Tom Sawyer's Comrade -- By Mark Twain -- HUCKLEBERRY FINN.
Sommario/riassunto	Adventures of Huckleberry Finn or The Adventures of Huckleberry Finn: Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels. It is a direct sequel to The Adventures of Tom Sawyer. The work is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about 20 years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, Adventures of Huckleberry Finn has also been the continued object of study by literary critics since its publication. It was criticized upon release because of its coarse language and became even more controversial in the 20th century because of its perceived use of racial stereotypes and because of its frequent use of the racial slur "nigger", despite strong arguments that the protagonist and the tenor of the book are anti-racist.
