Livello bibliografico	Monografia
Note generali	Previously issued in print: 2016.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	'Novel Horizons' analyses how narrative prose fiction developed during the English Restoration. It argues that after 1660, generic changes within dramatic texts occasioned an intense debate within prologues and introductions. This discussion about the poetics of a genre was echoed in the paratextual material of prose fictions.
