Sommario/riassunto	<p>Summary Jesus taught more often on money than He did on love or on heaven and hell combined. Why? It's because money is one of the chief competitors for our affections. "You cannot serve God and money," He warned. How, then, should Christians view and use money? How should they view and participate in economic systems? In How Should I Think about Money?, Dr. R.C. Sproul offers much-needed biblical answers to these questions, and in so doing, provides clarity on an important issue in the lives of Christians.</p> <p>Chapters · Taking Care of Our House · Reasons for Poverty · The Building of Wealth · The Theory of Value · What is Money? · Inflation · Interest · Participating in Ownership Resources</p> <p>Part of the Crucial Questions booklet series</p>
