Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	What does it mean today to be part of a people whose very identity is rooted in the belief that they belong to God and that their lives are a pilgrimage of faith? Pilgrim People is a journey through Scripture that examines how the call of God has led the faithful in both Old and New Testaments to regard themselves as pilgrims. God's call sometimes leads and sometimes sends, and the destinations can be new and wonderful or even dark and dangerous. But it is not the destination that transforms biblical journeys into pilgrimages. Instead, just as it was for people of Scripture, our footsteps are set in the right direction when we discover that God is our companion on the journey. Readers will encounter major landmarks of salvation history, all examined with insightful research and sprinkled with lively reflections on the contemporary call to every Christian to follow God as a faithful pilgrim.
