Sommario/riassunto	Lily learns she was right. Tom Weng a powerful sorcerer allied with the Old One who keeps trying to take over the world is still alive. But that's not the worst. Weng is a dragon spawn, the product of a botched hatching given a human form in an attempt to keep him from going mad. A failed attempt. Meanwhile, Lily s husband Rule is facing a Challenge to the death. Then there s the possible reappearance of another sorcerer. But none of that matters when their enemy strikes out of nowhere in the worst way possible. Lily must face a nightmare and return to a place she never wanted to see again. The place where she died.
